Dear Ms. Peters:

**SUBJECT: BALDWIN BEACH PARK MASTER PLAN**

Thank you for conducting the public open house presenting the final concept for the Baldwin Beach Park Master Plan on Thursday, August 22, 2019, at the Paia Community Association.

During the open house and afterward some constituents advised me of some potential concerns about the proposed improvements to the Baldwin Beach Park. Additionally, they noted that the format of the open house was less formal and some individuals didn't fully understand the extent of the improvements.

I noted in your press release the above referenced meeting was the "the third and last open house for the project." I believe the community would obtain more from a formal presentation on the improvements with an opportunity to comment or ask specific questions.

Therefore, may I respectfully request your consideration for holding a community meeting with a formal presentation of the improvements with an opportunity for the residents to ask questions. Thank you for your consideration of my request. May I also request that you submit your written respond to my request by September 9, 2019. Should you have any questions please contact me or my Legislative Assistant Gary Saldana at ext. 5507.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Molina".
