Dear Ms. Peters:

SUBJECT: HAMAKUALOA COASTAL OPEN SPACE PRESERVE

Thank you for your very timely response to my inquiry relating to the creation of a master plan for the Hamakualoa Coastal Open Space Preserve. I appreciate your thorough review for potential recommendations for the master plan process.

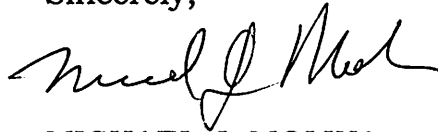

In your response you note that “the funds for the project are less than what is typically provided for master plans.” Accordingly, may I respectfully request that you respond to the following:

1. If the \$140,000 appropriation is not sufficient for developing a master plan strategy, can you provide an estimate for how much revenue is required to develop an adequate master plan for the Hamakualoa Preserve?
2. To help expedite the development of a master plan would you consider a budget amendment for increasing funding to complete the process?
3. You also recognize my concern about “inappropriate activity” currently in the area. Do you believe that immediate additional funding, beyond the \$140,000 allocation, will be required to address these concerns?

Thank you for your consideration of my requests. May I also request that you submit your written response by Monday, August 5, 2019. Should you have any questions please contact me or my Legislative Assistant Gary Saldana at ext. 5507.

Sincerely,
