

On-Site Flu Vaccinations will be available Fall 2020!

The County of Maui Risk Management Division in conjunction with area healthcare providers will be offering Flu vaccinations to County of Maui employees and their immediate family this fall. The clinics will provide employees and any immediate family members (18 years old and up) who is covered under a county insurance plan an opportunity to get vaccinated at one of the locations below for no additional cost. All flu vaccines are covered by county insurance plans. Clinics will take place in late September and early October.
