Mayor Victorino announces launch of free COVID-19 community testing program for residents

Mayor Michael Victorino announced the launch of a free COVID-19 community testing program sponsored by the County of Maui.

Residents do not need to have insurance or meet any criteria to get tested for free. Minit Medical is administering the program at standing community testing sites in West Maui, South Maui and Central Maui. Community testing drives in other locations will be announced in the future.

All participants must pre-register by visiting www.minitmed.com/pre-register-maui-covid-19. If you have any problem pre-registering, please call (808) 667-6161 ext: 7, for help and more information.

“The County is offering these tests completely free to keep our community safe and healthy,” Mayor Victorino said. “You don’t need to have any symptoms, and it’s a very quick and easy testing program that we encourage everyone to participate in.”

NOTE: The free testing at the community testing sites do not qualify for the State Pre-Travel Testing Program.

Pre-register at one of the following locations (more dates may become available later):

- **Lahaina/West Maui – 305 Keawe Street (temporary site located in parking lot)**
 - Open every Monday and Thursday for October and November from 8:00 a.m. – 4:00 p.m.
- **Kihei/Wailea – 1280 South Kihei Road (behind Ace Hardware)**
 - Open every Tuesday and Friday for October and November from 8:00 a.m. – 4:00 p.m.
- **Kahului – 348 Lehuakona Street (behind Maui Marketplace)**
 - Open every Wednesday and Saturday for October and November from 8:00 a.m. – 4:00 p.m.

NOTE: Please do not enter the Minit Medical Urgent Care clinics for the free community testing. You must pre-register and go to one of the drive-up test sites.

For more information and frequently asked questions about the free community testing program, visit www.minitmed.com/pre-register-maui-covid-19.
