**Mayor Victorino announces free drive-through COVID-19 testing  
on Nov. 25 and Nov. 28 in Kihei**

Mayor Michael Victorino announced that free drive-through COVID-19 surge testing will be held from 9 a.m. to 2 p.m. Wednesday, Nov. 25, 2020, and Saturday, Nov. 28, 2020, at Kihei Regional Park, located at 1501 Liloa Drive.

“Testing for COVID-19 is an important way to detect the virus early in individuals and limit the spread in our community,” Mayor Victorino said. “I urge everyone to take advantage of this testing opportunity for their peace of mind and for the health and safety of friends, family and neighbors.”

The test will be a self-administered nasal swab. All clients must pre-register online and get a printed voucher. **Clients must present their printed voucher and ID at the designated test time and date.**

For more information and to register, go to [eTrueNorth.com](http://eTrueNorth.com). The registration link is [doineedacovid19test.com](http://doineedacovid19test.com).

The free COVID-19 testing events are being held in partnership with the Maui Emergency Management Agency, the Office of the Mayor and the U.S. Department of Health and Human Services.
